About Mr. Earle

I graduated from FAU in 1994 with a Business Management degree, and after a 15 year career in corporate management, I decided to answer my call to teaching. Since then, I received my teaching certification and have been a 2nd and 3rd grade teacher at JFK ever since.

About Ms. Baxter

I graduated from the University of New England with a degree in Elementary Education. Soon after, I decided to leave the snow behind and move to Florida. I have been a teacher at JFK for four years, and I love teaching 2nd and 3rd grade! As a reading and writing teacher, I love sharing my passion for reading with my students. We're going to have a great year. ☺
