

# Welcome to Ms. Hrebin's Kindergarten

Dear New Kindergarteners,

I am so happy to be your teacher this year!  
You may be wondering what kindergarten is all about!  
We will have lots of fun learning to read, and learn all  
kinds of new math, science, and social studies!

I have my Bachelor and Master of Science  
degrees in Elementary Education. I have worked in  
the teaching professions for over twenty-five years  
and love every minute I spend teaching in the class-  
room.

My goal every year for the children is to have  
them become caring and respectful individuals and  
life-long learners!

I can't wait to see you soon!

Love,

Ms. Hrebin

**First Day of School: Monday, August 22nd!**
