

# Welcome to Mrs. Klockner's Second Grade!

Dear 2nd Graders,

I am so happy to be your teacher this year! You probably learned a lot in kindergarten and first grade and are wondering what second grade is all about! We will have lots of fun learning to read even better, and learn all kinds of new math, science, and social studies!

I have my BS in both Early Childhood and ESE from the University of Wisconsin-Whitewater. This is my fifth year teaching at JFK, but my very first year teaching 2nd grade! The last four years I have taught kindergarten and first grade.

Outside of school, I enjoy reading, traveling and being outside. I absolutely LOVE to weather in Florida and try to get to the pool or beach at least once a week. I am also a HUGE animal lover. I have six cats and a rabbit. The rabbit was our class pet last year, and if there are no allergies this year, she's hoping she can come back! I grew up in Wisconsin so I am a big Green Bay Packer fan too!

My goal every year is for my students to become caring and respectful individuals, who love to learn and come to school! I love to see my students smile every time to they come into our classroom!

I can't wait to see you soon!

Love, Mrs. Klockner

**First Day of School:  
Monday, August 22nd!**
