

## Welcome Back 4<sup>th</sup> and 5<sup>th</sup> Graders!

*Greetings from Mr. Krauss and Ms. Tiano!*

We hope this letter finds you having a wonderful and relaxing summer. We are thrilled to be working together as teaching partners again this year, and we are so excited to have you all as our students.

To our incoming 4<sup>th</sup> graders, your homeroom and language arts teacher will be Mr. Krauss. You will go to Ms. Tiano's class next door for math, science, and social studies.

To our returning 5<sup>th</sup> graders, this year you will have Ms. Tiano for homeroom, and you will go next door to Mr. Krauss for language arts.

We know we're in for a great year ahead. We ask that you arrive to school on time, try your best each and every day, pay attention, be prepared, and stay on task.

We will see you at Open House, where you will get more information about the upcoming year, but for now, enjoy the rest of your summer. As school approaches, get energized about the new year and all the exciting things you are going to learn and accomplish!

Your supply list is on the back, but remember, the MOST important item you can bring to school with you is a positive attitude!

All Our Best,

*Mr. Krauss & Ms. Tiano*
