

Please do not put names on supplies. The supplies will become community supplies as needed throughout the year.

Ms Landgren's Supply List for
2011-2012

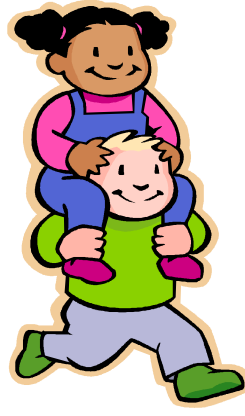

This year I made a separate list for the boys and girls. Please supply the class with the coed list and the individual list.

If you have any questions please be sure to email me. I will check my email throughout the summer.

Welcome to Ms. Landgren's First Grade class!

My name is Veronica Landgren. I am 28 years old and grew up in a small town called Wallingford located in Connecticut. I moved to Florida to attend Lynn University eleven years ago and now reside in Greenacres. I started working with Bright Horizons six years ago as a lead teacher in a preschool. In 2006, I began teaching 3rd grade here at JFK and since then have had the chance to experience Kindergarten, First, and second grade. I am looking forward to this upcoming year and teaching first grade as an independent classroom. It is a wonderful age and I truly enjoy it.

I have many fun activities, Field trips, and projects that we will be working on this year. I am very excited to form a bond with your child, if I do not already have one.

On the back you will find a class supply list. With the economy the way that it is, I really tried to shorten the list as much as possible. If for any reason you are unable to supply your child with any of the material needed please contact me by email (Landgren.jfk@gmail.com). All items are very important and necessary for our year of learning.

I am asking that at open house all students bring in one individual wrapped snack for the class. (Pretzels, chips, goldfish, cracker, etc.) This will start off our snack cabinet since we have snack daily. During open house parents will be given a schedule which will start in September.

I hope that you all had a wonderful summer.

Sincerely,

Your First Grade Teacher

Ms. Landgren
