Dear Kindergarten Students,

Hello, my name is Mrs. MacKendrick and I will be your Kindergarten teacher this year. I graduated from Florida Atlantic University with a BBS Degree. This is my seventh year with the JFK Medical Center Charter School family and I truly enjoy being a member. I am very excited that you will be joining our family.

I can't wait to meet you! We are going to have such a fun year full of exciting learning adventures! You are going to learn many new things this year. You will become a wonderful reader, a curious scientist, a social studies explorer, a creative writer, and an expert mathematician!

Your education will be enhanced with our many specials which include media, art, music and physical education. There will also be many opportunities to swim in our pool!

I am very excited about being your teacher! Enjoy the rest of your summer. I'll see you in August!

Love,

Mrs. MacKendrick
