This is my 7th year teaching Kindergarten here at the JFK MC Charter School. I am so very excited to me you and your child. Our year will be filled with both learning and fun. I want your child to leave kindergarten with a true love for school.

I moved here to Florida, from Western New York, 18 years ago and joined the Bright Horizons team. I have a Master's Degree in Education with two majors in Early Childhood and Psychology. I have two boys Daniel who is 16 and Christopher who is 12. They both love to play baseball and fish so we spend a great deal of time at the baseball field & the beach.

There are many exciting adventures waiting for you in Kindergarten. Enjoy your summer and we will see you in August.

Love,

Mrs. Metz
