

Welcome to Mrs. Simonelli's 4th & 5th Grade Language Arts.

Dear Fourth and Fifth Grade Students and Parents,

Hello! I am so excited to be your language arts teacher for this 2011-2012 school year! Welcome back and for the families that are new to JFK Medical Charter School, welcome to our family!

To my incoming 4th graders, I will be your homeroom and language arts teacher. You will go to Mr. Thornton next door for math, science, and social studies. Fifth graders will have Mr. Thornton for homeroom, math, science, social studies, and come to me for language arts.

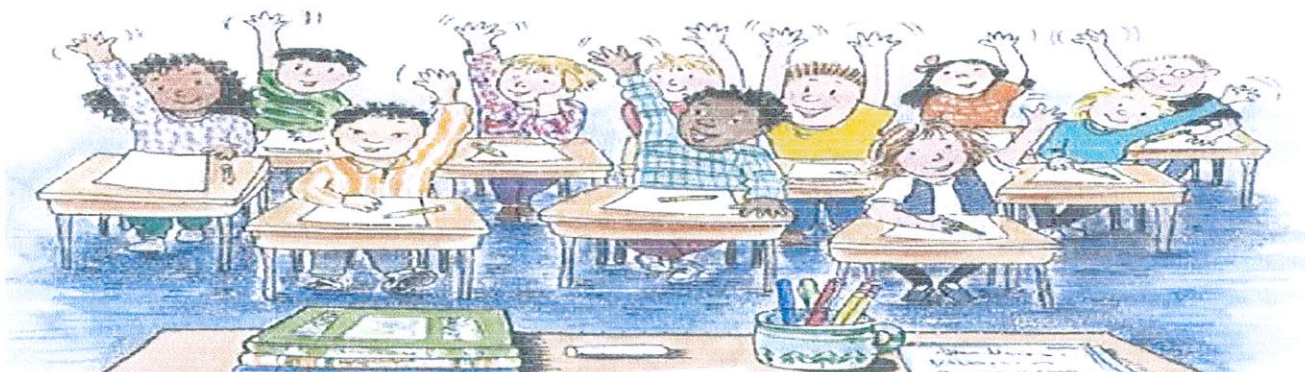

I wanted to just briefly introduce myself and let you know that I take educating your child very seriously. Teaching isn't just a job to me, and I will do all that I can to work with you to ensure that your child have the best year possible. I live in Wellington with my husband and two beautiful daughters. I taught kindergarten, third and fourth grades at Discovery Key Elementary. My passion is fourth and fifth grade and was thrilled to become part of this school's teaching staff. You will find that I run the classroom like a close family. I do my best to cultivate all that a family has, and together we grow and develop into a family community.

It is very important to know that I am strict and expect a great deal from my students. Every student is expected to come to school each day prepared to follow classroom rules, stay on task, and try his or her best with a positive attitude.

Your supply list is on the back. Please have all necessary supplies for the first day of school. I look forward to meeting you at Open House, where you will receive more information about the upcoming year. Enjoy the rest of your summer!

Sincerely,

Mrs. Simonelli
